Good news alert! Students of Miami Northwestern Senior High and residents of its surrounding community now have a 3,000 square feet comprehensive primary care health clinic to call their own! The John H. Peavy Health Clinic hosted its grand opening and ribbon cutting on the school’s campus on Jan 9, 2016. The clinic will provide medical assistance to students, as well as members of the Liberty City community.

Funded by a $1.45M grant from U.S. Dept. of Health and Human Resources, the comprehensive primary care health clinic is a joint effort by Jessie Trice Community Health Center, Inc. (JTCHC), Florida International University (FIU) Nicole Wertheim College of Nursing & Health Sciences, Miami-Dade County Public Schools and The Children’s Trust.

During the grand opening celebration, attendees toured the new facility, met the physicians and staff, and heard from noted elected officials and community members. Attendees also received goodies and information from community vendors participating in the celebration.

Standard operating hours for the public at the facility will be Monday – Friday from 3:30 p.m. – 6:30 p.m. and Saturday from 9 a.m. – 1 p.m. For more information about the John H. Peavy Health Clinic, please call 305-693-1213.
